

**AGREEMENT
ON
PATENT DOCUMENTATION EXCHANGE
BETWEEN
STATE OFFICE FOR
INVENTIONS AND TRADEMARKS
OF ROMANIA
AND
THE FEDERAL INSTITUTE OF INDUSTRIAL PROPERTY
OF ROSPATENT
OF THE
RUSSIAN FEDERATION**

State Office for Inventions and Trademarks of Romania and the Federal Institute of Industrial Property of Rospatent (FIPS) of the Russian Federation hereinafter referred to as "Parties" willing to promote the development of their economic, scientific and technical cooperation between Romania and the Russian Federation as well as considering the increasing significance of the problems in the sphere of industrial property protection have agreed as follows:

ARTICLE 1

The Parties shall oblige to develop and widen the mutually beneficial relations to provide for a free-of-charge exchange of patent documentation including that recorded in electronic format.

ARTICLE 2

The parties have agreed on the exchange of the patent documentation according to the Annex to the Agreement.

ARTICLE 3

The Parties have the right to amend the list of the publications as well as to change the number of copies and types of data carriers to be supplied (see Annex) provided they shall be agreed upon beforehand. Amendments to the List shall be confirmed by a Protocol by the Heads of Parties upon exchange of letters.

ARTICLE 4

This Agreement shall enter into force from the date on which it is signed by both Parties.

ARTICLE 5

Both Parties have the right to terminate this Agreement subject to advance notice of six months.

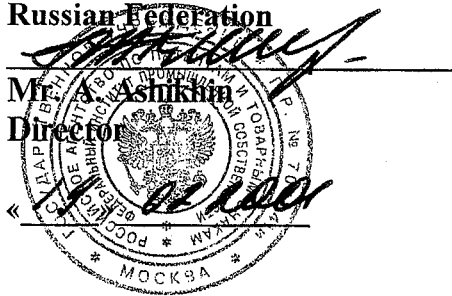

The Annex containing the list of the documentation to be supplied under this Agreement shall be considered as its integral part.

Signed in three originals in Romanian, Russian and English, texts are authentic.
