## ROMINVENT – TRADITION AND PROFESSIONALISM

ROMINVENT is the first Romanian agency, established in 1953, as an industrial property office under the Romanian Chamber of Commerce and Industry, which acquired the legal personality in 1993 by re-organisation as joint company.

Through its object of activity ROMINVENT is an efficient lever between the founder of the industrial property right and the national and international bodies habilitated to grant such right.

## EVOLUTION

ROMINVENT has an important professional potential consisting in 43 employees, 22 of which are attorneys in industrial property, specialized in the entire range of industrial property rights, who have contributed, with professionalism and active involvement in matters pertaining to the industrial property protection field, to the reinforcement of agency's image both nationally and internationally.

ROMINVENT is a member of important similar international associations, such as:

- **AIPPI ; INTA ; LES ; ACG ; CIB ; ECTA.**

As of March 2003, 15 industrial property attorneys, specialized in invention patents are EPI (European Patent Institute) members.

## COMPETENCES

ROMINVENT provides its Romanian and foreign clients with counselling and representation, in view of acquiring and defending the industrial property rights in connection to the following protection items:

- **Patent of invention**
- **Patent of plant**
- **Trademarks and Geographical Indications**
- **Industrial design**
- **Integrated circuits topographies**

Moreover, ROMINVENT ensures the representation of its clients before the courts of law, at all the judicial levels, in legal proceedings specific to the industrial property field.

## CLIENTS AND PARTNERS

ROMINVENT represents the interests and defends the industrial property rights of big national and international companies, from various fields of activity.

ROMINVENT concluded partnerships in more than 75 countries worldwide with more than 3,000 industrial property offices and big production companies. Famous trademarks well established and well known by consumers from around the world complete the impressive list of agency's clients.
